

Eye on Art

An inspiring look at the history and pioneers of the world of art

A series for students from Lucent Books®

“What makes this series special ... are the beautiful full-color pictures that appear on nearly every page ... This set is highly recommended for school and public libraries.”

— American Book Review Annual 2009

NEW VOLUMES!

FULL COLOR

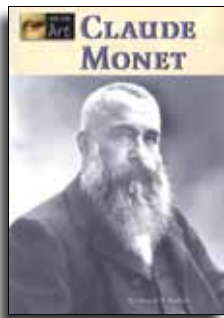

A unique combination of history, biography and artistic techniques, the clear narratives of this exciting series provide an overview of the development of different styles of art, artistic movements and the artists who fueled them. These colorful titles explore the roots and influences of different genres and the key components that define the style. In addition to discussing pioneers of the art, each subject-specific title considers changes the genre has undergone from its inception to the present.

Each volume features:

- Introduction to the art form, artist or movement
- Five to six chapters covering major themes or periods
- Full-color photographs and illustrations
- Sidebars highlighting interesting facts and related issues
- An annotated bibliography of age-appropriate resources for further information, including Web sites
- End notes, glossary and index
