SUPPORT 21ST CENTURY LEARNING

High School Student: “...the book covers catch my eye... It gives me hope—makes me feel like I am going to find what I am looking for.”

With its depth of features and content, *Gale Virtual Reference Library* is a digital cross-curricular resource that supports information literacy and the development of 21st century skills and reinforcing the critical difference between authoritative resources and consumer-published content on the web.

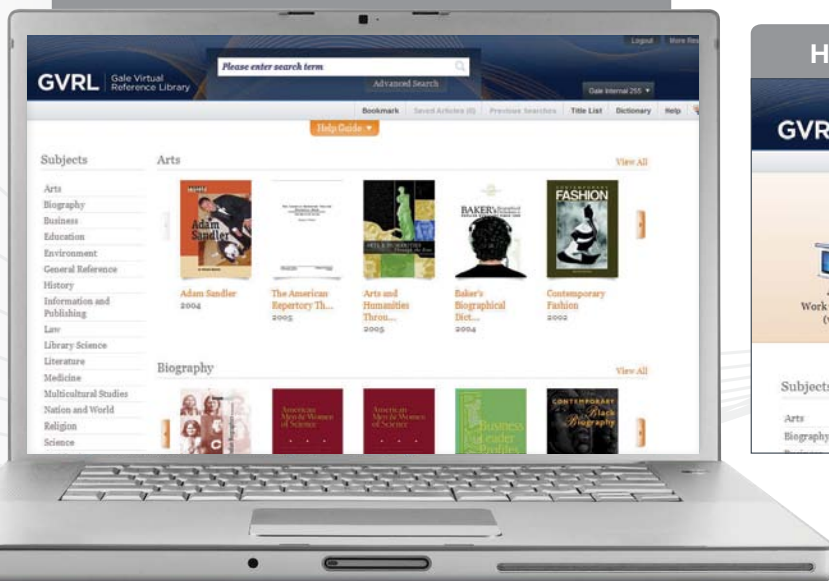

OUTSTANDING CONTENT

High School Librarian: “I like the sidebar navigation because it helps students make the choice of what (subject) category they should be in.”

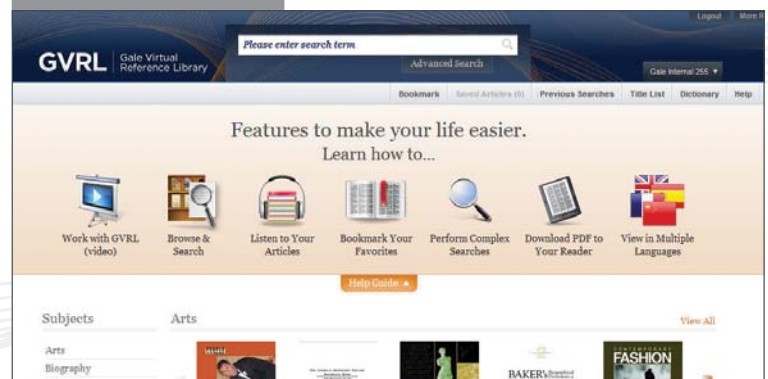

Gale Virtual Reference Library offers coverage of virtually every academic, scholarly and professional discipline, delivering titles for all kinds of research:

- Children will enjoy full-color pages with exciting pictures, from Dorling Kindersley and others
- Timely Greenhaven titles for K-12 and beyond
- Scholars will access the best publications from SAGE, Macmillan, and Scribner
- Educators will learn from ISTE and ASCD professional development titles
- Chose from our extensive World Culture, Health and Literature references
- Readers of all levels will value the ease-of-use and consistent approach to research
